INSTRUCTIONS

Card 1 – Believe in the Magic

- Cut a 12.5 x 3.8cm (5 x 1.5") piece of patterned paper and adhere across the card, followed by a foil sticker strip from the sticker book.
- Adhere the sentiments onto patterned paper, trim with a slight border and foam mount.
- Adhere the Christmas stockings across the top of the card and draw a string and bow.
- Add some star stickers and you are done.

Card 2 – Season's Greetings

- Cut a 12.5 x 3.8cm (5 x 1.5") piece of diagonal stripe paper, back with white star paper and adhere across the card.
- Add the Season's Greetings circle sentiment to the centre and a couple circle stickers on each side and you are done.

Card 3 – Christmas Cheer

- Draw a circle with pencil in the centre of the card and add the foliage from the sticker book around the circle to create a wreath.
- Add the bell sticker in the centre of the wreath as well as some holly above the bell and at the bottom of the wreath.
- Add a sentiment below the wreath and you are done.

Card 4 – Have Yourself a Merry Little Christmas

- Add a scalloped strip from the paper pad to the bottom part of the card and then a 12.5 x 3.8cm (5 x 1.5") piece of gold sprinkle paper just above.
- Matt the angel stickers with the gold foil paper from the paper pad and fussy cut. Distress the edges a little with your fingernail and add just above the gold sprinkle strip.
- Matt the sentiment with the gold foil paper and foam mount in the centre.

Card 5 – Be Filled With Wonder

- Add two strips from the sticker book across the bottom part of the card.
- Back the angel sticker with a piece of paper and foam mount in the centre of the card.
- Add a couple little dove stickers to either side of the angel.
- Matt the sentiment with gold foil paper and adhere in the centre across the bottom strip.

Card 6 – Be Filled With Wonder

- Add a 12.5 x 3.8cm (5 x 1.5") piece of gold foil paper across the bottom part of the card and add a couple of sticker strips to the upper part.
- Fussy cut presents from the patterned paper and stack them on top of the gold foil strip in a big cluster.
- Back both of the sentiment strips with gold sprinkle paper and foam mount in the centre.

Card 7 – Merry Christmas

- Add a 12.5 x 3.8cm (5 x 1.5") piece of diagonal stripe paper across the bottom part of the card and add a sticker strip to the lower part.
- Back the sentiment circle with gold foil paper and foam mount in the centre.
- Add a two angels to the card and a sprinkling of star stickers and you are done.

Card 8 – Wishing You a Very Merry Christmas

- Add a 12.5 x 5cm (5 x 2") piece of black grid paper across the bottom part of the card and add 3 sticker strips to the upper part.
- Adhere the bell and bauble stickers to white cardstock and fussy cut with a white border.
- Foam mount across the card and draw a little string with a bow to hang the ornaments.
- Matt the sentiment with gold foil paper and foam mount across the middle.

Card 9 – 3 Kings

- Add 2 sticker strips across the bottom part of the card.
- Adhere the 3 Kings just above the strips.
- Add sentiment strips in the centre and finish off with a sprinkling of stars from the sticker book.

Card 10 – Merry Christmas

- Add 3 sticker strips across the bottom part of the card, add a gold foil sentiment from the sticker book and finish off with a little gold foil bird.
