SB2109 – TRINKET CHEST CHAPTER ONE

“Just as pieces  
stitched together  
in a quilt  
warm  
our bodies,  
scrapbooks  
bind together  
memories to  
warm our  
Hearts!”

*Materials – Black Cardstock, Chapter One – Reflect, Chapter One – Motivate, (Chapter One – Sticker Sheet, Rhinestone Strips – Black, Flourishes – Black, Embellishment Pack – Posy, Pearl Brads (Pearl), Paper Blooms (Snow and Sage), Kaisercolour – Black, Glimmer mist (Black Magic), Netting.*

Step 1: Before painting and gluing together your trinket chest and draws – use the pieces as templates to mark out your selected papers. I have used “Reflect” and “Motivate” papers from the Chapter One range.

Step 2: Set aside papers and assemble the trinket chest. Paint the edges and the base of the trinket chest in Kaisercolour - Black.

Step 3: Spray the draws with Glimmer mist (Black Magic).

Step 4: Use the “Reflect” papers and cover the all sides of the chest. Use the pattern on the “Motivate” paper as the base for your draws tearing away a section to reveal the “Reflect” paper underneath.

Step 5: Cut four sections of the black flourishes from the “sticker sheet” and adhere to black cardstock and trim. Layer two together and adhere a pearl brad to the centre – and fix onto the draws. Select a butterfly from the same sticker sheet and adhere to the bottom draw.

Step 6: Use “Pearl Strips” and apply to edges of draws and as a border to the top chest.

Step 7: Use “paper blooms” and “posy” to make a floral embellishment together with some black netting and adhere to the top chest checking that the chest will still open completely.
